

Assignment 4

Name: Tanya

Registration Number: 19BEE1199

Screenshots:

Join node appends the url <https://node-red-tnyzm-2021-07-15.eu-gb.mybluemix.net/data?input=> and the entered data in the textbox.

So for example if data entered in the textbox is “some data” then the total url would be <https://node-red-tnyzm-2021-07-15.eu-gb.mybluemix.net/data?input=somedata>

Data entered in mobile:

Send data to cloud

Enter data

Node red flow and received data :
